

The VIVA®-Family in summary

pedaq VIVA® - the original

Support & relieve for the three sensible zones of the foot

VIVA®
The comfort foot support
Extra thin, for perfect fit, particularly hygienic thanks to gentle cow hide & active carbon

- TIPS:**
- Feel the comfort by right-left-comparison: put only into one shoe a foot support and let experience the difference.
 - Satisfied VIVA® customers appreciate also the other family members - for well-being for any weather and any activity.

VIVA® MINI
The short foot support
Perfect for little space in shoe, of gentle cow hide

VIVA® HIGH
The special-foot support
For high arch

VIVA® SPORT
The fitness foot support
Fit run thanks to foot support & special shock absorption

VIVA® OUTDOOR
The active foot support
Dry & hygienic thanks to natural fiber & active carbon

The fresh foot support
Fresh feet thanks to breathable sisal

VIVA® SUMMER
hygienic effective silver

VIVA® SNEAKER
absorbent terry cloth

VIVA® WINTER
The thermo foot support
For warm feet thanks to pure wool & perfect insulation
